Employment

Msvieira

Advertising Web/ Graphic Designer (Freelance)

I am pleased to find solutions. With several years of experience in developing business plans, concept and design production, I developed a strong combination of analytical and creative thinking that helps me see the projects to the end. I remain patient, humble and persistent in my work process and I believe that everything worth doing is worth being incredible. I acquired experience in web/graphic design. I develop visual and institutional communication.

STOCK FARMA COM. E REPREST. LTDA

CEO - Commercial Manager

Developed strategies and established commercial policies, supervised the operation of the sales sectors and directed them to meet specific objectives, monitor organizational performance. Connect with laboratory executives and pharmaceutical representatives. I was editor of Magazine Sales and Health with health tips and also the profile of the pharmaceutical industry in northern Brazil, in addition to bringing sales and service tips (2005 to 2010)
